

### preliminary Conference Programme

|               | day 23 <sup>rd</sup> October 2012  |   |   |   |  |  |
|---------------|--|---|---|---|--|--|
| 09.00 – 10.00 | Open, morning coffee   |   |   |   |  |  |
| 10.00 – 12.00 | Opening Plenary, Welcome addresses:  Norbert Pohlmann, Chairman, TeleTrusT & Director, if(is), Germany  David Goodman, Chairman, EEMA, UK  Udo Helmbrecht, Director, ENISA, Greece  Ulrich Seldeslachts, CEO, LSEC, Belgium  |   |   |   |  |  |
|               | Keynote: NSTIC and the Identity Ecosystem.  James Sheire, Senior Advisor, National Strategy for Trusted Identities in Cyberspace, USA  |   |   |   |  |  |
|               | Panel session: "Houston we have a problem!": Paradigm-Shift in IT  Moderation: Ammar Alkassar, Board Member, TeleTrusT & CEO, Sirrix AG security technologies, Germany  David Goodman, Chairman, EEMA, UK  Udo Helmbrecht, Director, ENISA, Greece Gerold Hübner, Chief Product Security, SAP AG, Germany  Kim Cameron, Chief Architect of Identity, Microsoft, France Tom Köhler, CEO, Cassidian Cybersecurity, Germany |   |   |   |  |  |
| 12.00 – 13.00 | Lunch Break  |   |   |   |  |  |
|               | Enterprise Security  | Information Security Strategy and Management  | Security and Privacy impact of<br>Green Energy  | US/EU Activities and Future Plans                                       |  |  |
|               | Chair: Wolfgang Schneider, Senior<br>Adviser, Fraunhofer Institute SIT,<br>Germany   | Scientist, Bundesdruckerei,   | Chair: Achim Klabunde, Head of<br>Sector IT Policy, European Data<br>Protection Supervisor, Belgium | Chair: Maurizio<br>Talamo, CEO,<br>Nestor SCARL,<br>Italy               |  |  |
| 13.00 – 13.30 | Context-enhanced authorization   |   | Privacy-preserving smart metering B   | Panel session:  |  |  |
|               | Martijn Oostdijk, Senior Advisor,<br>Novay, Netherlands  | Roland Mueller, CISO, Daimler<br>Financial Services, Germany                            | Alfredo Rial, Ph.D. Student, KU<br>Leuven, Belgium  | Andrea Servida,<br>Head of Task   |  |  |
| 13.30 – 14.00 |  |   | Smart metering and common criteria – A German approach to fulfil European privacy needs B           | Force – eIDAS Legislation Team, European Commission, Belgium            |  |  |
|               | Antonio Lioy , Professor,<br>Politecnico di Torino, Italy  |   | Markus Bartsch, Business<br>Development, TÜViT, Germany   | James Sheire,<br>Senior Advisor,<br>National<br>Strategy for<br>Trusted |  |  |
| 14.00 – 14.30 | Enterprise mobility - A balancing act between security and usability B   | IT security investment and costing - emphasizing benefits in times of limited budgets B | _   | Identities in<br>Cyberspace, USA<br>Kim Cameron,                        |  |  |
|               | Patrick Michaelis, Senior Security<br>Product Manager,<br>Research In Motion, Germany  |   | Andreas Philipp, Head of Sales &<br>Dieter Bong, Product Manager,<br>Utimaco Safeware AG, Germany   | Chief Architect<br>of Identity,<br>Microsoft,<br>France                 |  |  |
| 14.30 – 15.00 | Coffee Break   |   | <u> </u>  | I   |  |  |
|               | I  |   |   |   |  |  |

|               | Solutions for Mobile Applications  | Security Management & Economics of Security   | Human Factors of IT Security   | US/EU Activities and Future   |  |
|---------------|--|---|--|---|--|
|               | Chair: Patrick Michaelis, Senior<br>Product Manager EMEA, Research<br>In Motion, Germany                                       | Chair: Ulrich Seldeslachts, CEO,<br>LSEC, Belgium   | Chair: Peter Berlich, President,<br>(ISC) <sup>2</sup> Chapter Switzerland,<br>Switzerland   | Plans<br>SSEDIC   |  |
| 15.00 – 15.30 | •  | A modern approach on measurement of information   | The human aspect and data leakage prevention in academiaB  | Welcome<br>Maurizio   |  |
|               | and transactions B  Jan Eichholz, Technology  Consultant, Eurosmart/ Giesecke  & Devrient, Germany                             | security B  Nina Vrielink, CEO & Frederik Humpert-Vrielink, COO, CETUS Consulting GmbH, Germany | Elham Rajabian Noghondar,<br>Master in Information Security<br>Management, University-College<br>in Gjøvik, Norway & Prof. Konrad<br>Marfurt, dipl. Phys.ETH, Lucerne<br>University of Applied Sciences and<br>Arts, Switzerland | Talamo,<br>CEO, Nestor<br>SCARL, Italy<br>Workshops:<br>Authentication<br>Steve Pannifer, |  |
| 15.30 – 16.00 | credentials on NFC enabled   | Panel: European Security CXO panel - this business of security                                  | What kids today can tell you about tomorrow's workplace  | Head of<br>Delivery,<br>Consult   |  |
|               | phones: use cases, challenges, technologies and standards B  | Moderation: Ulrich Seldeslachts,<br>CEO, LSEC, Belgium  | risks  | Hyperion, UK Future eID   |  |
|               | lan Lowe, Senior Product Marketing Manager, Actividentity, UK  | Jan Valcke, COO, Vasco Data<br>Security, Belgium<br>Gerhard Eschelbeck, CTO, Sophos,            | Tim Wilson, Lead Volunteer, (ISC) <sup>2</sup> Foundation, UK  | models<br>Libor Neumann,<br>Senior  |  |
|               | Malware detection in ubiquitous environments B   | USA Xavier Verhaeghe, VP Security Solutions EMEA, Oracle, Belgium                               | Full employment - Is this good or bad news for the information security profession?  | Consultant,<br>ANECT, Czech<br>Republic   |  |
|               | Roberto A. Morales Pacheco,<br>Technical Director,   | Ramon Mörl, Managing Director, itWatch, Germany   | Richard Nealon, Board Secretary of the (ISC) <sup>2</sup> Board of Directors &   | Regulation<br>Hans Graux,   |  |
|               | Manuel García-Cervigón, Security<br>Researcher, Technical University<br>of Catalonia, Spain                                    |   | Co-Chair of the European Advisory<br>Board, (ISC)2, Ireland  | IT Lawyer,<br>time.lex,<br>Belgium  |  |
| 16.30 – 17.00 | Coffee Break   |   |  |   |  |
|               | Identity & Access Management   | Security Management & Economics of Security   | Human Factors of IT Security   | US/EU Activities and Future Plans   |  |
|               | Chair: Jaap Kuipers, Owner, ID<br>Network, Netherlands   | Chair: Jon Shamah, Vice Chair,<br>EEMA, UK  | Session continued  | SSEDIC continued  |  |
| 17.00 – 17.30 | A new security architecture for<br>SmartCards utilizing physical<br>unclonable functions B                                     | Security of consumerisation IT  | The security awareness and training framework of a multi national company  | University<br>credentials<br>Hugo Kershot,  |  |
|               | Walter Fumy, Chief Scientist,<br>Bundesdruckerei, Germany  | Louis Marinos, Senior Expert Risk<br>Management, ENISA, Greece                                  | Klaus Schimmer, Information<br>Security Manager, SAP AG,<br>Germany  | Managing Director, IS-Practice, Belgium   |  |
| 17.30 – 18.00 | SSEDIC WP4 authentication standards review   | Policy-based audit of security configuration settings   | Moderation: Ulrich Seldeslachts,   | Business models<br>Eric Blot-Lefevre,<br>CEO, Trustseed<br>SAS, France                    |  |
|               | Steve Pannifer, Head of Delivery,<br>Consult Hyperion, UK  | Serena Elisa Ponta, Researcher,<br>SAP Research, France   |  |   |  |
| 18.00 – 18.30 | Strong authentication of humans and machines in policy controlled cloud computing environment using automatic cyber identity B | Making use of the changing European eID landscape to support your business case B               | CEO, LSEC, Belgium  Seda Guerses, Research assistant, COSIC, KU Leuven, Belgium Ralf Benzmueller, Head SecurityLabs, G Data, Germany   | SSEDIC General<br>Assembly  |  |
|               | Libor Neumann, Senior<br>Consultant, ANECT, Czech<br>Republic  | Marc Sel, Director,<br>Pricewaterhouse Coopers, Belgium   | Tim De Boeck, Systems Engineer,<br>Palo Alto Networks, Belgium<br>Joeri Van Hoof, Senior Engineer<br>EMEA, Barracuda Network,<br>Belgium   |   |  |

Belgium

### preliminary Conference Programme

| 9.00 – 10.00  | Morning Keynote: International cyber-security collaboration: Partnering to reduce global risk Paul Nicholas, Senior Security Strategist, Microsoft, USA   |  |   |   |  |  |
|---------------|---|--|---|---|--|--|
| 10.00 – 10.30 | Coffee Break  |  |   |   |  |  |
|               | Separation & Isolation  | Cyber Security:<br>Hackers & Threats   | Trustworthy Infrastructures   | Product<br>Implementation<br>Case Studies   |  |  |
|               | Chair: Ammar Alkassar, Board<br>Member, TeleTrusT & CEO, Sirrix<br>AG security technologies,<br>Germany   | Chair: Michael Hartmann, CSO,  | Chair: Norbert Pohlmann,<br>Chairman, TeleTrusT & Director,<br>if(is), Germany                  |   |  |  |
| 10.30 – 11.00 | Applying a security kernel framework to smart meter gateways B  | Exploiting virtual file formats for fun and profit B                             | eConsent management and enforcement in personal telehealth B                                    | Implementing are enterprise strong authentication   |  |  |
|               | Architect, Sirrix AG security technologies, Horst Görtz Institute for IT-Security, Germany  | Matthias Luft, Senior Security<br>Analyst, ERNW GmbH, Germany                    | Milan Petkovic, Senior Scientist,<br>Philips Research, Netherlands                              | framework for al<br>authentication<br>events  |  |  |
|               |   | Enno Rey, Senior Security Analyst, ERNW GmbH, Germany                            |   | Reinier van der<br>Drift, CEO,  |  |  |
|               | Michael Gröne, Project Manager<br>and Consultant, Sirrix AG security<br>technologies, Germany   |  |   | Authasas<br>Advanced<br>Authentication<br>BV, Netherlands   |  |  |
| 11.00 – 11.30 | Old new security architectures -<br>The principle of separation at<br>work  | Anonymous - a new civil disobedience phenomenon B                                | Critical clouds - An analysis of dependencies of critical services and infrastructures on cloud | Applied privacy<br>now and under<br>the new EU rules  |  |  |
|               | Kai Martius, Head of Business Unit,<br>secunet Security Networks AG,<br>Germany   | Assistant (Lecturer), Czech<br>Technical University in Prague,<br>Czech Republic | computing  Marnix Dekker, Information  Security Officer, ENISA, Greece                          | Bavo Van den Heuvel, Security and Privacy Expert Cranium BVBA, founder of Data Protection Institute, Belgiun Nicolas Delcroix, Partner dellTad, founder of Data Protection Institute, Belgiun |  |  |
| 11.30 – 12.00 | Secure environments on smartphones: Approaches and solutions B  | Asymmetric information: Building technologies that help cyberdefense B           | Context-based identity management - A reality and necessity for online and cloud services       | Trust on the internet has never been so important   |  |  |
|               | Steffen Schulz, Research Assistant,<br>Ruhr-University Bochum,<br>Macquarie University Sydney,<br>Germany   | Claire Vishik, Trust & Security<br>Technology & Policy Manager,<br>Intel, UK     | Erik R. van Zuuren, Director,<br>Deloitte Enterprise Risk Services,<br>Belgium                  | Ales Lipicnik,<br>Chairman,<br>CONNET d.o.o.,<br>Slovenia   |  |  |
| 12.00 – 13.00 | Lunch   |  |   |   |  |  |
| 13.00 – 13.45 | Afternoon Keynote: Embrace the mobile 'r'evolution : addressing the security challenges around mobile/cloud/BYOD Tim van Honsté, Security Sales Specialist, Belgium & Luxembourg, Symantec, Belgium |  |   |   |  |  |
| 13.45 – 14.00 | The TeleTrusT Award Presentation  |  |   |   |  |  |

| framework regulations  Andrea Servida, Head of the Task Force "Legislation Team (eIDAS)", European Commission  14.30 – 15.00  National cyberspace strategy  Steve Purser, Head of Technical Department, ENISA, Greece  15.00 – 15.30  PEPPOL - Experience from four years work on eSignature interoperability B Jon Ølnes, Senior Advisor, UniBridge, Norway  15.30 – 16.00  Coffee Break  EU Digital Agenda Session Continued  Andrea Servida, Ruben Wolf, Senior Researcher Cloud Computing, Identity & Privacy, Fraunhofer Institute SIT, Germany Intomas Bleier, Program Manager IT Security, AIT Austrian Institute of Technology GmbH, Austria Gremany IT Security, AIT Austrian Institute of Technology GmbH, Austria Service of Technology GmbH, Austria Gremany It Security, AIT Austrian Institute of Technology GmbH, Austria Service of Technology GmbH, Austria Service of Technology GmbH, Austria Service of Technology GmbH, Austria Institute of Technology GmB |               | EU Digital Agenda                                  | Cloud Computing Security                                       | Trustworthy Infrastructures   |  |
