Invitation

Welcome to the German Pavilion at RSA Conference 2014!

This year the German Federal Ministry for Economic Affairs and Energy (BMWi) in cooperation with the Association of the German Trade Fair Industry (AUMA) are once again supporting a German group participation, giving 15 companies and institutions the platform to present their excellent products and to offer their renowned services to key players and decision makers.

TeleTrust as the IT security association of Germany and the initiator for the German participation is accompanying the German delegation and is providing professional advice.

We invite you to visit the German Pavilion at North Expo Booth 3421.

Designated experts are at your disposal for all topics around IT security.
