

**PRESS RELEASE / EVENT ANNOUNCEMENT**

## **RSA Conference 2019 in San Francisco: IT Security Association Germany (TeleTrust) presents "IT Security made in Germany"**

**Berlin, February 19, 2019 - The 28th "RSA Conference" will be held in San Francisco (USA) from 4 - 8 March 2019. In the "German Pavilion", the IT Security Association Germany (TeleTrust) will present "IT Security made in Germany" alongside many of its members (Moscone Center, North Expo, Booth 5671).**

The RSA Conference in San Francisco, which has grown strongly in recent years, has established itself as the leading international trade fair for IT security. For the 18<sup>th</sup> consecutive time, "IT Security made in Germany" will be represented in a joint presentation, supported by the Federal Ministry for Economic Affairs and Energy and designed by TeleTrust.

This year's German joint presentation at the RSA has been included in the event calendar of the official German-American Year 2019 which is coordinated by the German Federal Foreign Office.

The established gold sponsor status of the "German Pavilion" and the presentation possibilities connected to it enable visitors and conference participants to gain knowledge of a selected range of services of the German IT security industry in various ways.

In the context of the German joint presentation at the RSA 2019, the following TeleTrust members will be participating in the German Pavilion: achelos, Avira, BDR, BMI/BSI, cryptovision, Cryptshare, Detack, eco, floragunn, Hornetsecurity, Infodas, ITConcepts, itWatch, Matrix42, MB Connect Line, MTG, NCP, QGroup, QuoScient, Secomba, secunet, TÜViT.

In addition to the booth presentation, TeleTrust and its members are organizing several networking opportunities and special events:

### **IT Security Association Germany (TeleTrust)**

The IT Security Association Germany (TeleTrust) is a widespread competence network for IT security comprising members from industry, administration, consultancy and research as well as national and international partner organizations with similar objectives. With a broad range of members and partner organizations TeleTrust embodies the largest competence network for IT security in Germany and Europe. TeleTrust provides interdisciplinary fora for IT security experts and facilitates information exchange between vendors, users, researchers and authorities. TeleTrust comments on technical, political and legal issues related to IT security and is organizer of events and conferences. TeleTrust is a non-profit association, whose objective is to promote information security professionalism, raising awareness and best practices in all domains of information security. TeleTrust is carrier of the "European Bridge CA" (EBCA; PKI network of trust), the IT expert certification schemes "TeleTrust Information Security Professional" (T.I.S.P.) and "TeleTrust Professional for Secure Software Engineering" (T.P.S.S.E.) and provides the trust seal "IT Security made in Germany". TeleTrust is a member of the European Telecommunications Standards Institute (ETSI). The association is headquartered in Berlin, Germany.
