The path to a German EAL4+ for R82

Malcolm Levy, Check Point Software Technologies

The path to a German EAL4+ for R82

The path to a German EAL4+ for R82

- Certification history in Check Point
- Criteria for success
- Working with the BSI
- How we achieved project success
- EAL4+ compared to NIAP cPP
- All-In commitment

The path to a German EAL4+ for R82

- Best of both worlds
- Value that certification brings
- BSI added value to product security
- Uncompromising commitment to satisfying the customer
- Next steps and future plans
- Thank you, Danke, תודה
