Exhibition Future Job for ICT professionals - entry, switch and advancement in Berlin-Brandenburg

29th November 2011, 9am to 18pm, An der Urania 17 10787 Berlin

www.future-jobs.net

The Berlin-Brandenburg region is developing into one of the most innovative and economically successful ICT-regions. Workers, young professionals, graduates and school leavers have the best entry-level, switch and career opportunities in this industry! The ICT Industry Association Berlin Brandenburg (SIBB e.V.) and Urania Berlin hold therefore the career and job fair Future Jobs - Exhibition for ICT professionals - entry, switch and advancement in Berlin-Brandenburg.

Exhibitors of Future Jobs are user and supplier companies, such as manufacturers and Provider of software, information- and communications technology industry, companies with large IT departments and IT applications. Colleges, universities, educational institutions and personnel agencies present their offerings and education opportunities in the ICT world. Visitors to the exhibition - employees, young professionals, graduates and school leavers - can learn about the different career opportunities in the ICT industry.

The parallel program of lectures to the fair devoted with its focal points from the opening of the fair at 09:00am to careers interested audience. From 13:00pm renowned speakers from politics and economics of the industry's look at latest job trends in the ICT industry. The afternoon program presents topics for young professionals and ICT professionals. The complete lecture and exhibition program is constantly updated on the website.

Beside the job offers the fair will also show the sense of life in Berlin Brandenburg. Thus housing associations show interesting offers to newcomers in the region. There are expected more than 2,000 job interested visitors, which can get on around 50 booths information on perspectives in ICT careers.
